

Dear Client,

Thank you for asking Aden and Simon Music to quote for your [event] at the [venue] from [time] on [date]. Yes we are available on this day! We have performed at many [events] around Adelaide so I'm sure you will be happy with the result! You may also have found some of the very nice references on our website from past clients!

This quote for [duofee] includes our duo playing [setnumber] sets of live music, plus learning [songnumber] songs of your choice to be played live at the [event] . Please let us know if you would like any other specific songs to be played, and we can advise if there is any additional cost if we do not already know them. Our trio is also available and that includes keyboard/female singer for [triofee]. Alternatively we can add a drummer and/or other musicians which will bring the cost to [bandfee]. We also provide free stage lighting within all quotes.

We usually play for 45 minutes then take a short break between sets during which we play appropriate streamed music. Breaks can also be timed for when you are proposing to have formal speeches etc. We can provide a microphone for these if you require this too.

Here are some references that have come from recent clients/patrons:

“Great sound...and what a voice – WOW!” – Paola S (City of Charles Sturt Council)

“What a great sound this duo have, covering a broad and diverse range of music and obviously enjoying themselves at the same time. Great sound and great vibe!” – Annie C (Adelaide).

Definitely not a pub rock band – we pride ourselves on being polished and professional. We have a fresh modern mix, and an upmarket style: soaring vocals, harmonies, and dynamic sounds incorporating live acoustic and electric guitar; creating the perfect ambience for your night!

You will find that we are very organised and attentive, and we will do our very best to ensure your evening goes off incredibly well!

If you decide to accept our quote, we look forward to having a chat with you soon, to fine-tune arrangements for the night.

Look forward to hearing from you!
